19th Century Tapestry Painting

520 EUR

Period : 19th century

Condition : Très bon état

Material : Tapestry

Width : 58,5 cm

Height : 88,5 cm

Description

Fun and very decorative table tapestry nineteenth, small point and big point. The colors are very fresh and the condition is perfect. This is an illustration of Perrault's tale: Little Red Riding Hood. Everything is there: the girl with her chaperone, the cake and the jar of cream, the door with its peg and of course, the wolf ... The golden patinated frame is sober and highlights well this original and unusual subject in the tapestries.
