Description

As if it were not difficult enough to identify some painters, some recipients of artistic gifts must still scratch or recover at the time of signing and dedication! By wearing my eyes, I see a signature "Santi" or "Sarti" scraped and covered with blue pen, followed by what seems to be a dedication "For Saly 89" partially covered with black felt ...
Let's just to savor the strangeness of this exotic landscape with a look close to that of stained glass, where small houses nestle among the palm trees at the foot of waterfalls ...
Mixed media on canvas 60 X 81 cm, lopsided in places, lacks certainly due to moisture along the right side. Very deco.
