## Very Large Ceramic Art-nouveau "umbrella Door"

380 EUR

Period : 19th century

Condition : En l'état

Material : Ceramic

### Description

In spite of its state (important lack and égrégures with the lip, porous enamel in places, some wear), the dimensions and the superb casting glaze make it a spectacular object. 61 cm high for 23 at the collar, 29 at the handles and 24 cm at the base. Starting from a round base decorated with a frieze of stylized leaves and rusty brown glaze, it rushes towards the handles and gradually becomes square in a superb blue enamel. A mark struck two times below MP with two P forming the legs of the unidentified M.

Very heavy!
