Description

Oil painting on paper. Framing in gilded wood under glass. Miodrag's work is monumental. Famous galleries in Rome, Florence, Dallas, Miami, Paris and Brussels have, in the past, devoted their talent. This painter has had very different periods in his artistic life. Whether oil painting, silkscreen, charcoal or pastel, this artist pushes mastery to perfection in each of these areas. Op art, or optical art, of which he is one of the founding pillars, owes him a great deal.
