

## Fountain : A Touareg In The Desert

1 400 EUR

Period : 20th century

Condition : Bon état

Material : Oil painting

### Description

What exoticism, what strangeness in this beautiful portrait of a "Blue Man". Standing out against the desert floor, in a nonchalant attitude of rest, it is easy to understand why they are nicknamed "Lords of the desert". Difficult to photograph because of the grain of the canvas that hangs shine, it is much more beautiful in real life.

Canvas 61 X 50 cm dressed with a Parnassian frame with reversed slope 81 X 70 cm.
