sculpture proper. The movement works but will certainly require cleaning, it is marked:

CHARPENTTIER Ft BRONZES 580 PARIS

This clock is in good condition; However, it is worth noting a slight state of use of the gilding on the highest reliefs of the decor, the lack of the rear door protection movement and the absence of glass on the dial. You will also see on the dial that the eyelet protection of the right winding hole is missing, as a result of small bursts of enamel at its perimeter are to be noted.
