Great Virgin In Carved Oak Early Eighteenth

3 800 EUR

Period : 18th century

Condition : Bon état

Material : Oak

Height : 128 cm

Description

Superb and very large virgin oak carved eighteenth time. Working in the north of France or Flanders, this Blessed Virgin is represented standing with arms raised to the sky. The work of sculpture is remarkable in the appearance of clothes and drapes. the face of the virgin is of a great realism, work of quality and in good original state, some accidents and lacks, from the time, traces of the old polycromie on the back.
