Description

Beautiful bronze cup dating from the nineteenth century decorated with leaves of vines, flowers and insects. In the style of Jules Moigniez (1835-1894) but unsigned. The study of insects is particularly interesting. The precision and the nervousness of the sculpture make all the beauty of this object. Some parts are gold-plated (lid button, center of foot pattern). Signed similar objects are currently visible on the internet. Shipping in France with insurance 25 EUR.
