980 EUR

Period : 18th century

Condition : En l'état

Material : Vermeil

Length : 11cm

Width : 4cm

Diameter : 2cm

Description

Travelcase in vermeil, (foreign punch). On one side, a young man, on the other, a young woman, in foliage and flowered baroco cartridges.

Inside, all its instruments : Knife, scissors, pencil (without mine), needle case, ear pick, needle, glass case (missing cap, chips) The needle is sinking badly to its location, so it is put in place of the closure system which is missing (push button and clasp).

Size: 11x4x2cm
