

Statuette Representing A Standing Man - Veracruz

2 500 EUR

Period : Before 16th century

Condition : Restauré

Material : Terracotta

Length : 14

Height : 23,8

Description

His attitude is rigid and his eyes too. Two important feathers strands are on his head like hairdressing. He's wearing big earrings, a powerful necklace and a loincloth. Probably he's a dignitary or an important person, due to his clothes.

Light beige terracotta with rosy and blackish reflections.

Veracruz culture - Classical period (400-800 AD).

Good state of preservation, the feather hairdress have been glued again but no lack.

Reinforcing armature with plaster.

H_23.8 cm. W_14 cm

Belgian collection, 20thcentury.
