Rare pair of very large doors in tapestry Aubusson, early twentieth manufacture. Each tapestry is composed of a hunting scene. On a background of greenery at the bottom of which appears a stag pursued by dogs running, two men in the eighteenth hold on leash other dogs and are equipped with hunting horns. The set is in good condition, the colors are deep. Both tapestries are lined with a garnet red fabric. Note some minor wear in the top of one of the tapestries (without evidence and barely visible).
