

Console Wall In Gilded Stucco, Early Twentieth

180 EUR

Period : 20th century

Condition : Bon état

Material : Stucco

Length : 22,5

Height : 24

Depth : 16,5

Description

Console applique of the early twentieth, stucco gilded with gold leaf. Good condition, patina of time, to report a mini visible slot that does not remove its strength. Possibility of forming a pair with its original carved wooden model of the nineteenth (visible in the previous announcement on our gallery).
