Vanhems : Gouache "spanish Penitents"

220 EUR

Period : 20th century

Condition : En l'état

Material : Gouache

Description

Obviously, when it's unframed, it's easier to forget them in a drawing board or between the pages of a big book!

I just put your hand on this work and you propose it in the wake.

These two penitents in a city of Spain form a very graphic image, underlined by the strong contrasts and the reduced palette.

Gouache on paper 31 X 23.7 cm, unframed, small rednesses and pinholes of fixation on the board of the easel, signed Vanhems, of which I do not know everything! Do not hesitate to ask us by email or phone for additional information or photos.

We have many paintings to restore at our shop of Pau for which we prefer the sale on the spot, preferably in batches! Other photos and many
