|-------------|

Colonial School of Cuzco Period End XIX -
Early 20th century "San Isidro Labrador" Oil on
wood 74 x 54 cm In a carved and gilded wood
frame Patron of the peasants of the Andean
South, San Isidro le Laboureur (1082 - 1172) is
Frequently represented accompanied by the
miracles that he provoked, in particular, making
water spring. After his canonization in 1697, his
wife, Santa Maria della Cabeza accompanies him,
here, carrying two jars of water at his feet.
