

Regional Library

1 800 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Width : 1,830 m

Height : 2,260 m

Depth : 22 cm

Description

Enclosed bed turned into a library-showcase after having removed the panels in the reserves with hats of policeman and replaced them by glasses. The central part remains as originally the original access. Two shelves mounted on racks are therefore adjustable. The lower part of the cabinet offers storage under the lower shelf. The set is pegged therefore removable. Delivery to be agreed.
