### Description

And to say that they were impeccable!  
But hey, the doors open against the spray of the oceans, it is not the ideal for silverware! So, I sell this pair of candlesticks "to polish" of the famous manufacture Saint-Médard which, like Odier, Ercuis or Christofle realized products of first quality as the attest them these.

Around 1950, 23.5 X 12.5 cm, very beautiful silvering quality.
