Description

Five feet of lamps from the English house Porta Romana. These lamps are made of resin in imitation bronze patina and treated in the taste of Giacometti. There are: 1 foot model "woman" and 4 feet model "man". Condition: very good general condition. Please note, that I don't certify the viability of the electricity: as always, it is preferable to have the safety of the electrical circuit checked. Note that a lamp base has its thread cut (see photo). Period: 20th. Signature: some feet wear the monogram "PR" on their base, others have a sticker under the foot, and others under the feet an inscription Porta Romana on velvet. Height at the cup: 65 cm. Total height: 73.5 cm. Please note: the price shown does not include shipping. For more paintings and objects, visit: aenigmattic.fr or on my instagram:
