4 300 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

Description

Representing a bouquet of flowers, vintage brooch set with synthetic rubies, synthetic sapphires and emerald doublet. A golden bow and diamonds hold the branches, and flowers forming this bouquet. The clasp is a double pin. Period: 20th century Main material: yellow gold, 750 thousandths, 18 carats, owl punch. Proportions: Height: 8.5 cm, width: 5.5 cm, thickness: 2 cm. Net weight: about 31.6 g. Authentic old brooch - Work of the 1950s. Our opinion: A vintage brooch of good quality very much in the style of the Van Cleef & Arpels brooches of this same period.
