

## Louis XVI Chest Of Drawers In End Grain Wood, 18th Century

6 400 EUR

Period : 18th century

Condition : Restauré par notre atelier

Length : 130cm

Width : 59cm

Height : 81cm

### Description

Large dresser with 3 drawers in end grain wood (laburnum), plum and walnut, Louis XVI period. This chest of drawers can form a set with the secretary (Louis XVI writing desk in end grain wood).

As for the writing desk, we know pretty little about end grain wood furniture, it is probably a provincial work of the eastern France.

Condition Report: Restored in our workshop in December 2017.
