ZILLER Leopold (1859-1910) German painter (19th-20th century) Landscapes, seascapes Architectural views: Venice, Bosphorus Leopold Ziller was an accomplished 19th century artist known as follower of Felix Ziem. He specialized in Venetian and Bosphorus scenes. Although a great deal of his work was done towards the end of the 19th century, he continued working until 1930 and was therefore a real bridge builder between the two centuries. Ziller lived and
