

Antique Bronze Woman Late Sixteenth

2 600 EUR

Period : 16th century

Condition : Bon état

Material : Bronze

Height : total 28,5cm bronze 21cm

Description

Superb and rare woman in antique gilt bronze XVIth. It is presented on a wooden base supported by 4 petit bronze feet. This antique bronze woman presents a woman standing covered with a drape held by his arm showing his leg. Superb quality of carving this bronze to a beautiful patina having kept much of its original gilding. Rare of this time and in this state.
