Description

Superb men's wristwatch, Omega De Ville automatic 18kt gold, 1970s. The bracelet is made of genuine Lizard handmade (width 18 mm). It is not original. The bracelet's buckle is in 18kt gold. The mineral glass is of origin (Omega name in the center of the glass), some micro-scratches hardly visible to the eye. The movement is a 711 caliber. It works perfectly. Watch in superb condition. Body size excluding fixings: 29 x 29 mm. Thickness: 6 mm. Length of the bracelet with the watch: 22,5 cm.
