## Ring Coral Skin Angel And Diamond

3 400 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

### Description

Ring with asymmetrical lines set with claws of a coral cabochon little angel in a gnarled decor, chiseled, like a branch that frames the gem. A brilliant cut diamond is set with claws on one side.

Period: 20th century

Main material: yellow gold, 585 thousandths, 14 carats. Diamond weight: approximately 0.05 carat.

Proportions: Height: 2.5 cm, width: 2 cm, thickness: 1.1 cm, width of the ring at the base: 2 mm.

Net weight: 11.9 g approximately.

Authentic old ring - 1960s American work.

Our opinion: Original lines in the spirit of American jeweler Arthur King.

Arthur King was based in New York, where he opened a store in 1962, but also sold in Miami, Havana, Paris and London. His most memorable years as a jeweler were in the 1960s and 1970s. A true artist, he made lost wax jewelry, which gave his heavy gold pieces a wonderful texture, hand-crafted and inspired by nature.
