

## 17th Century Swivel Octagonal Table In Walnut

2 800 EUR

Period : 17th century

Condition : Bon état

Material : Walnut

Length : 78 cm

Width : 75 cm

Height : 72 cm

Description
-------------

Original and rare 17th century walnut table with swivel tray. It rests on a scalloped tripod base set on a central shoot. The octagonal shaped tray consists of two parts connected by a cross assembly on which is fixed the fastening mechanism of the tray. Quality work, sober table elegant and timeless in very good state of conservation with its patina of origin.
