Description

Beautiful oil on canvas Orientalist framed, representing a Moroccan fantasia.

The composition gives a large place to the eventful sky that contributes to the overall dynamics of the painting. No limit between heaven and earth, the characters seem to emerge from the clouds, their mount launched at full gallop. The light is soft, filtered by swirls of dust, harmonizing pastel shades. Only the decorations of saddles and harnesses evoke by their bright colors, the spectacular side of this traditional ride.

Beautiful carved natural wood frame.

Signed lower right: H LE MAIRE.
