Description

Rare pair of coffee tables or ends of sofa in gilded wood. Feet decorated with putti in front of a vine shoot, with bunches of grapes (a few slits at the level of the woods, and lack of gilding, not serious as to the solidity). Tray composed of a glass slab engraved with birds motif, typical of the 50s. (To note, a small shine on the edge of one of the trays see picture of detail). Base hexagonal (some consolidated slits) (size of bases 28 x 28 cm). A beautiful set, very decorative.
