

## Pair Of Chenets Cherubins, Louis XV

2 800 EUR

Period : 18th century

Condition : Usures à la dorure

### Description

Pair of andirons with children, engraved and gilded bronze, Louis XV period. (H x W x D): 32 x 17 x 23 cm.

This pair of andirons made up of acanthus foliage is occupied by two children carrying wallets and having lost their accessories? Are they two small hunters or fowlers? Beautiful carving, beautiful gilding. Significant gilding wear due to the very nature of the object.
