

Large Model Ice Box 1950 In Oak

6 500 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Oak

Length : 153

Width : 94

Height : 244

Depth : 94

Description

Very important model of old and authentic butcher's cooler. It is made of solid oak. It opens with three independent doors, with chrome handles and hinges. We have restored it in the workshop to obtain a unique and original furniture, very decorative. Period: Mid 20th
