

Pair Of Nineteenth Putti In Walnut

750 EUR

Period : 19th century

Condition : Bon état

Material : Walnut

Height : 27 cm

Description

Elegant and beautiful pair of Putti XIXth century carved walnut. They are presented upright, bare, just covered with a veil wrapped around the body. The faces are round and soft, the carved finely carved. It is a real pair, where the 2 Putti face each other, the quality of the expressions is very realistic and all in excellent condition. Slight accidents on the feet of one of the putti.
