Description

Nice scene of Andalusian type representing a rider paying court to an elegant. The work, in its own juice, is in good condition and painted on canvas but seems to be stuck on the panel. Framed in a "craft" wooden frame, I have not disassembled. It measures frame included 50 cm by 40 and 27.5 cm by 18 without the frame. At sight, no visible signature, but the technique is mastered and there is no doubt about the qualities of the artist.
