Description

This rare set of living room furniture is the work of an Italian work of the eighteenth. It includes an armchair, a pair of chairs and a wooden stool gilded and relaqué green almond / egg yolk.

These seats are all very richly carved with foliage, scrolls, staples, acanthus leaves. The sinuous legs are finished with claw feet. Painted wood, weathered, richly carved and a beautiful gilding strengthens the strength of these seats already given by their broad base. Their red velvet trim is modern. It should be noted that the patties of the seats and folders are removable.

These seats are in very good condition, old restorations and wear of use. Dimensions:
