Description

large decorative dishes in Limoges porcelain decorated with birds in flight, signed Baumy. Decoration made entirely by hand and around gold thread. The back of each dish is marked in green: "Blakeman and Henderson Limoges France". Blakeman and Henderson were active importers in Limoges from 1890 to the early 1900s. They commissioned the decoration of high quality decorative pieces destined for the United States. Shipping costs in France 20 euros. Other destinations to consult us.
