Description

Large terracotta probably from the first quarter of the twentieth century bronze patina and representing a young man asleep.

a lot of realism and a great equality of expression in the treatment of this beautiful terracotta whose green patina recalls the nuances of certain bronzes.

some small scratches on the side, but very little visible.

possibility to present this large terracotta hung in the manner of a table or posed.

a beautiful and very decorative sculpture.

a rare and quite unusual subject: a young man asleep.
