Description

"Davenport" office, all sides, on wheels, in walnut. It opens on the right side by 4 drawers while the left side is dressed with false drawers. On the top, it opens with a compartment for storing the necessary for writing and a desk wrapped in green leather, discovering a lemon interior with 2 small drawers. Origin: England. Period: second half of the nineteenth. The secretary says Davenport is a port changer furniture that was used for the registration of goods.
