Pair Of Empire Candelabra, Early 19th Century

8 000 EUR

Period : 19th century

Condition : Très bon état

Diameter : 24,5cm

Height : 47cm / 31cm

Description

Beautiful pair of combinable table candelabra, four arms of light, gilt bronze, Empire period. Decorated with swans, basket of fruits, palm leaves, oak leaves and acanthus leaves. The "bouquet" is removable allowing the use as a torch. The chiselling is of very high quality.

We find many identical elements on a pair of applique delivered by Feuchère at the Palais de Tuileries.
