Description

Pretty form with low body and high neck, here is a pretty production of Japanese workshops. His body is decorated in high relief with a bunch of grapes, and a rolling garland, wrapped around the vase. Beautiful coloured patinas, shades of blacks, greens and reds, great technic! Japanese working of the 19thC century, Meiji period, genuine!

Very good condition. However, I suspect the bottom of the vase, to be slightly pushed outward, thank you for looking at my photos, my price takes into account this detail. Few wear on patinas

Dimensions: 30cm x 13cm diameter. Diameter
Base: 8.2cm.
