

Two Large Workshop Tables 197 Cm, Metal Feet Thick Trays

600 EUR

Signature : vendues à la pièce

Period : 20th century

Condition : En l'état

Height : 80

Description

Two workshop tables with 6 cm thick boards in fir, metal legs. In the same format, they can be put end to end to make a large table of 4 meters. The exact dimensions of the trays are 87 x 197 and 90 x 198. heights: 80 cm. State of use, fir trays are to clean, some stains. One is darker than the other (this can be corrected after cleaning with a patina). The legs are black lacquered, they are also in a state of use, some stains and usures. We will sell them separately: 600 euros each. Very stable.
