

Provençal Buffet In Walnut Eighteenth Time

1 350 EUR

Period : 18th century

Condition : Bon état d'usage

Material : Walnut

Length : 134 cm

Height : 94 cm

Depth : 61,5 cm

Description

Beautiful openwork cross of a basket in center and olive branch on each side. no old or recent restoration. we hardly noticed a burn on the tray which traditionally burns a visible place of the furniture to chase evil spirits, very easy to this day to return this part of the top to no longer have this burn in view because very healthy furniture the above was never fixed just nested using a molding
