Rare Glass "cul Sec"

120 EUR

Period : 19th century

Condition : Très bon état

Material : Glass

Description

Uncommon, these glasses called "dry" could not be rested without having been emptied beforehand, hence their name. This one, with the pretty enamelled decoration, thanks to a very thick bottom which shifts its center of gravity, nevertheless holds right but ... when it is empty !
Height 9.4 diameter 8.2 cm.
