## Pate De Verre Lamp, 20th Century

420 EUR

Period : 20th century

Condition : Très bon état

Material : Glass paste

Diameter : 17 cm

Height : 37 cm

### Description

Discreet and delicately evoking the plant world, this pate de verre lamp dates from the second half of the 20th century. The softness of its colors recalls the palette of landscapes at the very beginning of spring, a palette awakened by the diaphanous light diffusing through the ecru lampshade. This lamp has been completely re-electrified by us and fits all modern electrical outlets.
