## Very Large Table : Sunflower Bouquet

500 EUR

Period : 20th century

Condition : Bon état

### Description

This very large painting (about 105 X 75 cm) was executed, I think in the 40's on a thin cardboard which is maintained by a neutral pH cardboard on the back.

Rustic charm of this corner of the garden where the sunflowers are soaked in an old copper watering can near the pots of geranium while waiting to compose one of those flamboyant bouquets of which Van Gogh had the secret. Very stylish !

Signed MM VEDRINE lower left and mounted in a beautiful and thick wooden frame waxed 119 X 89 cm.

Not wanting to make it rub on the white cardboard, the support is a little curled, but it can easily replace it. WARNING ! The format implies that it can not be sent by post, so a carrier
