Description

Curious cabinet forming oak writing desk,
Norman work of the region of Le Havre.
Constituted in the upper part of a row of three
drawers, a writing desk concealing 6 small
drawers, a door cut, Louis XIV inside and
outside, sides has fretted cross, ending foot back.
Quality furniture. According to the family
tradition, this piece of furniture would have
served the accountant of a shipowner and was
used to point the goods in the storage rooms. 18th
century.
