Description

The problem I have with the drawings is that if I do not frame them quickly, I slip them into one of the many cartons of the Gallery "while waiting to take care of it" !

I bought this oil on paper 62 X 48 cm, more than 20 years ago ...

I do not know anything about the artist who must have been from South-West (I found a landscape of Montréjeau on the Net), even if the subject represented reminds me of Italy.

This friendly keeper of a herd of turkeys, with his cloak and his striped clothes, a cigarette at the corner of his lips, watches his birds on a terrace overlooking a mountainous landscape with a village.

"In its juice", to clean, small peripheral accidents and a hole restored but not painted in the sky.
