Description

Dimensions with frame: 40 x 31.50 cm Born in 1871 and died in 1962, he would have been one of the students of the famous military painter Édouard Detaille (1848-1912). In the paintings of François Oesinger, we find "the leg" of the master of French military painting. Souvenir de 1915 Certainly this work is addressed to one of his acquaintances, as the legend may suggest, unless it is an order ... The lack of indication on the back of the book work, and biographical knowledge do not allow to affirm or deny either of these two hypotheses ... Only the imagination can ignite ... Still, it is there that it is about a captain probably of the Moroccan Tirailleurs . To go further: www.lestresorsdegamaliel.com/peinture-militaria/188-souvenir-de-1915-francois-oesinger.html
