

Charming Pyrogen In Biscuit

220 EUR

Period : 20th century

Condition : Très bon état

Material : Biscuit

Length : 11,50 cm

Width : 7cm

Height : 11 cm

Description

Adorable little pyrogen biscuit representing a child in short panties, velvet, holding a candle holder with a burning candle. The egg next to it collects the alouettes. The whole is based on a base where you can see the scraper mattresses. The child has real hair.
