

Ceylon And Diamonds Sapphire Ring

6 900 EUR

Period : 20th century

Condition : Parfait état

Material : Platinum

Description

Contemporary, platinum ring set with 4 claws on top of a round Ceylon sapphire which rests on a circle set with diamonds. The profile, the slightly raised basket and the start of the ring are entirely paved with brilliant-cut diamonds. Main material: platinum, dog head punch. Weight of sapphire: approximately 2.26 carats. Total weight of diamonds: 0.60 carat approx. Proportions: Height: 1 cm, width: 1 cm, thickness: 0.7 cm, width of the ring at the base: 2 mm. Net weight: 4.7 g approx. Our opinion: The sapphire is imprisoned on this frame paved with diamonds on the ring and reveals a bright blue and shiny, the famous Royal blue.
