Aphrodite Stain Her Sandal

1 000 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Diameter : 8,5

Height : 26

Description

Bronze statuette representing the Aphrodite unstitching his sandal
On its tinted marble base
Souvenir du Grand Tour, this bronze is inspired by a statuary model famous since the Hellenistic period and many times copied since: the goddess appears completely naked, detaching l one of his sandals. The theme, which offers the pretext of a sensitive observation of the female body, is in line with the classic creations.
