

## Virgin And Child In Terra Cotta Polychrome (signed I M) - 17th Century

650 EUR

Period : 17th century

Condition : Bon état

Material : Terracotta

Height : 22,5 cm

### Description

Virgin and child slaying evil represented in the form of a snake.

The child's head has undoubtedly been broken and restored in style.

Under the polychrome already very old, appears another polychrome - apparently in good condition.

Traces of gilding on the back.

The base of the statue is partly hollow.
