Description
-------------

Very beautiful oil on canvas 27x41 cm signed Paul BONNAUD; landscape painter born in VILLE D'AVRAY in the 19th century. We know very little about this painter who exhibited at the exhibition of Independents in Paris in 1910. This painting is for sale unframed. I note a longitudinal mark at the bottom of the table due to the friction of the frame and an old restoration visible on the back of the table. This mark should disappear with coaching.
