

Large Box In Sterling Silver Empire Period

1 800 EUR

Period : 19th century

Condition : Bon état

Diameter : 10,8cm

Height : 4,7cm

Description

Large Box Solid Silver On cover, silver medallion reported showing a pythée in front of his tripod with all the attributes of the god Apolon . this Greek figure evokes the neoclassicism of the end of the XVIII and the first Empire.

The rest of the box is poiconné at the first neck brace and the medallion at the veillard.

It can be a box to hold a big seal. The goldsmith poicon is difficult to read but probably "Odiot".
